**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181**

Sir:

Applicant hereby petitions to withdraw the holding of abandonment under 37 C.F.R. § 1.181 as indicated on the Notice of Abandonment ("Notice") mailed from the Patent Office on October 21, 2004 for the above-identified patent application. The Notice states that the application was abandoned for a failure to timely file corrected drawings in response to the Notice of Allowability. Applicant respectfully submits that a full set of formal drawings was timely filed with the issue fee payment in response to the Notice of Allowability mailed June 15, 2004. The formal drawings and issue fee payment were deposited with the U.S. Postal Service as first class mail under 37 C.F.R. § 1.8 on September 10, 2004, which was five days before the due date specified on the Notice of Allowability. The formal drawings and issue fee payment were received by the U.S. Patent and Trademark Office on September 14, 2004 as indicated by the date-stamp on the returned postcard. Therefore, applicant respectfully requests reconsideration and withdrawal of the holding of abandonment of the above-identified patent application on the basis that there is in fact no abandonment.

The following documents accompany this Petition in support of Applicant's request:

- 1) a copy of the Notice of Allowability mailed June 15, 2004 (Exhibit A);
- 2) a copy of the issue fee payment and submission of formal drawings (Exhibit B) mailed on September 10, 2004 as indicated by the Certificate of Mailing stamps;
- 3) a copy of the returned postcard which was date-stamped on September 14, 2004 by the U.S. Patent and Trademark Office (Exhibit C), which confirms receipt of the response from Applicant mailed on September 10, 2004; and
- 4) a copy of the Notice of Abandonment dated October 21, 2004 (Exhibit D).

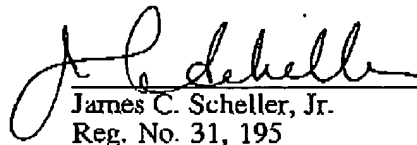

Applicant notes that no fees are required for this petition. However, in the event that any fees are due, please charge Deposit Account No. 02-2666.

Alternatively, if the petition under 37 C.F.R. §1.181 is not granted, Applicant hereby petitions under 37 C.F.R. §1.137(a) that the application be revived as the delay was unavoidable because Applicant in fact sent a response as shown above and, through no fault of Applicant, the response was apparently not considered to be filed by the Patent Office. There is simply no practical way for Applicant to have avoided this holding of abandonment in this instance where the postcard was stamped as received by the Patent Office. If this petition under 37 C.F.R. §1.137(a) is accepted, please charge Deposit Account No. 02-2666 for the fee necessary for this petition.

Respectfully submitted,
